Learn. Love. Smile. Help Others.

Hi kids! Meet Goody, the Snowman. His idea of fun is NOT sitting around on a shelf. Do you know what you get when you put a snowman on a shelf? You get a wet shelf!

Goody loves doing good deeds for his neighbors, friends, and family. That usually means being outside and active, because being cooped up indoors can turn a snowman into a real wet blanket. Or rug. Or table. Or whatever he was sitting on, really. And soggy snowmen aren't much fun.

Goody loves giving, from the tip of his carrot nose to the very last snowflake in his base.

The 3 things Goody loves most are: 1. Helping others! 2. The smell of carrots (good thing, too!), and 3. Being with his friends: Witty, Brainy, Nutty, Gritty, Coco, Buzzy, Foxy, and Richy. These friends will help you think about ways to be helpful to others.

And because giving back is the right thing to do, Goody and his furry friends love it when the whole family participates in his fun! They'll help you think up lots of ideas for good deeds you can do for those around you. And Goody's nose will always point you to the next person you can try to help, because it's the person right in front of you!

During the holiday season, it's important to shine your light and love on others. My creator, Darla Hall, loves to give back and her heart is so big that she wanted to give you the gift of knowing how great it feels to make someone else smile. Goody and his friends will show you how. You don't need a carrot nose of your own to point the way, all you need is a heart for giving. Come with us on our journey to spread joy to the world!

GOODY
the
SNOWMAN

**Goody, the Snowman shouts,
“I’m so happy that you found me!”
Let’s all reply with a great big YIPPEE!**

Meet his friend, Witty.

She loves to tell jokes and have fun.

“Why did the golfer wear two pairs of shorts?”

In case he gets a hole-in-one.

**Foxy just loves to go fast.
He's always ready to help
everyone have a blast.**

**Brainy is a very smart deer.
He shares his toys with cheer.**

**Buzzy never, ever, sits still.
Sports and competing is how he gets his thrills.**

Darla Hall

Darla Hall was born and still resides in Indiana. She grew up in a small town where she loved playing sports and helping others. This book concept was developed in 2012 when a young boy she knew was hit by a car and broke both of his legs. She created her first activity book as a gift for him. Her company, Witty Publications, now has hundreds of titles available at www.wittypublications.com
